### INDEPENDENT AUDITOR'S REPORT

### To the Board of the Solomon Islands Visitors Bureau

### Report on the Statement of Cash Receipts and Payments

I have audited the accompanying statement of cash receipts and payments of Solomon Islands Visitors Bureau, which comprise the statement of cash receipts and payments for the year then ended 31st December 2014, statement of comparison of budget and actual amount for the year ended 31st December 2014 and a summary of significant accounting policies and other explanatory information.

My audit report is confined to those elements of the financial statements that are mandatory reporting requirements under the International Public Sector Accounting Standards under the Cash Basis of Accounting (IPSAS Cash). My report does not consider the fairness or reasonableness of any additional notes or amounts disclosed as non-mandatory notes.

## Directors' and Management Responsibility for the Statement of cash receipts and payments

The Directors and management are responsible for the preparation and fair presentation of these statements of cash receipts and payments in accordance with *International Public Sector Accounting Standards*: Financial Reporting under the Cash Basis of Accounting (Cash Basis IPSAS) and *Solomon Islands Visitors Bureau Act 1996*, for such internal control as management determines is necessary to enable the preparation of statement of cash receipts and payments that are free from material misstatement, whether due to fraud or error.

### Auditor's Responsibility

My responsibility is to express an opinion on the statement of cash receipts and payments based on the audit. The audit has been conducted in accordance with International Standards on Auditing. Those standards require that I comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial

statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

### **Opinion**

In my opinion, the statement of cash receipts and payments of Solomon Islands Visitors Bureau for the year then ended 31st December 2014 present fairly, in all material respects, and its summary of significant accounting policies and other explanatory information in accordance with Cash Basis IPSAS.

### **Emphasis of Matter**

Lack of compliance with the Solomon Islands Visitors Bureau Act 1996

The Solomon Islands Board of Directors has not complied with Section 16 of SIVB Act 1996 which requires the accounts of the Bureau to be audited annually. The Management signed financial statements were not presented to me until 12<sup>th</sup> October 2017 which is two years and ten months after the SIVB Act requirement.
