Solomon Islands Office of the Auditor-General

Independent Auditor's Report to the Members of Malaita Provincial Assembly

Report on the Audit of the Financial Statements

Disclaimer of Opinion

I was engaged to audit the financial statements of Malaita Provincial Government ("the Provincial Government") which comprise the Statement of Cash Receipt and Cash Payment for the year ended 31 March 2019, and the Statement of Comparison Budget and Actual for the year ended 31 March 2019, and notes to the financial statements, including a summary of significant accounting policies.

I do not express an opinion on the accompanying financial statements of the Provincial Government. Because of the significance of the matters described in the *Basis for Disclaimer of Opinion* section of my report, I have not been able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

Basis for Disclaimer of Opinion

The disclaimer of opinion is attributed to the continuous failure in the system of recording and controlling accounting transactions and insufficient audit evidence to support transactions and accounts. I was unable to confirm or verify by alternative means the transactions, balances and related disclosures with respect to the financial statements. As a result of these matters I was unable to determine whether any adjustments might have been found necessary in respect of the transactions and balances in the financial statements.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management are responsible for the preparation and fair presentation of the financial statements in accordance with IPSAS cash basis, and for such internal control as the management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management are responsible for assessing the Provincial Government's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intend to liquidate the Provincial Government or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Provincial Government's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My responsibility is to conduct an audit of the Provincial Government's financial statements in accordance with International Standards of Supreme Audit Institutions (ISSAIs) and to issue an auditor's report. However, because of the matters described in the *Basis for Disclaimer of Opinion*

section of my report, I was not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on these financial statements.

I am independent of the Provincial Government in accordance with International Organisation of Supreme Audit Institutions (INTOSAI) Code of Ethics, and the ethical requirements that are relevant to my audit of the financial statements and I have fulfilled my other ethical responsibilities in accordance with these requirements.

Report on Other Legal and regulatory requirements

In my opinion:

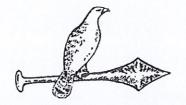

- i) As described in the *Basis for Disclaimer of Opinion* section of our report, proper books of account have not been properly kept by the Provincial Government to enable financial statements to be prepared;
- ii) There has been non-compliance with the Provincial Government's Financial Management Ordinance, 2018 and the Financial Instructions and Stores Instruction, 2018; and
- iii) The Provincial Government did comply with the requirements of the Public Finance and Audit Act (Cap 120) and the Provincial Government Act 1997, which require the financial statements to be submitted to the Office of the Auditor General not later than nine (9) months of the following year to which the financial statements relate. The signed statements were presented to me on 30 December 2019.

Peter Lokay Auditor-General

MALAITA PROVINCIAL GOVERNMENT FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH, 2019

Notes

1. Accounting policies

Basis of preparation

The financial statements of Malaita Provincial Government have been prepared in accordance with IPSAS Cash Basis. Malaita Provincial Government has applied this policy consistently from 1 April 2018 to 31 March 2019.

2. Reporting entity

The financial statements are for Malaita Provincial Government. The Malaita Province prepares the financial statements as a legal entity as prescribed in the Provincial Government Act (1997) sections 1 and 2, and in accordance with Section 94 of the Malaita Province Financial Management Ordinance of 2008.

3. Controlling entity

Malaita Provincial Government has not controlled any entities during the period related to these financial statements.

4. External assistance

Third party payments: Malaita Provincial Government did not receive any third party payments during the period related to these financial statements. Malaita Provincial Government received no third party internal payments received during the reporting period.

5. Restricted cash balances

This refers to cash that is being held by Malaita Provincial Government that is unavailable for the province to use. It includes the computation of cash equivalent as control of cash over which the province will release control as soon as the cash is transferred. These are normally NPF payments on behalf of direct employees, PAYE deductions withheld from direct employees, and withholding taxation from contracts awarded.

6. Reporting currency

The reporting currenty is Solomon Islands Dollars (SBD).

7. Transactions in foreign currency

There were no transactions conducted by the province which might have required a currency retranslation during the reporting period.

8. Cash

Cash available for use is the amount of cash available to the Provincial Executive as at the end of the financial year, excluding restricted cash, but including cash equivalents.

9. Borrowings

	2018/19	2017/18
The amount stated in note 19 is the outstanding borrowed amount after repayment was made in the fiscal year 2017/18. The borrowing proceeds were recognised in the financial statements and in the budget in accordance with IPSAS 5 (original value plus the interest element). Interest has not been amortised as no borrowings were long term.	-	5,357,567
